

FILE SETUP GUIDE: Roll-up banner InDesign templates

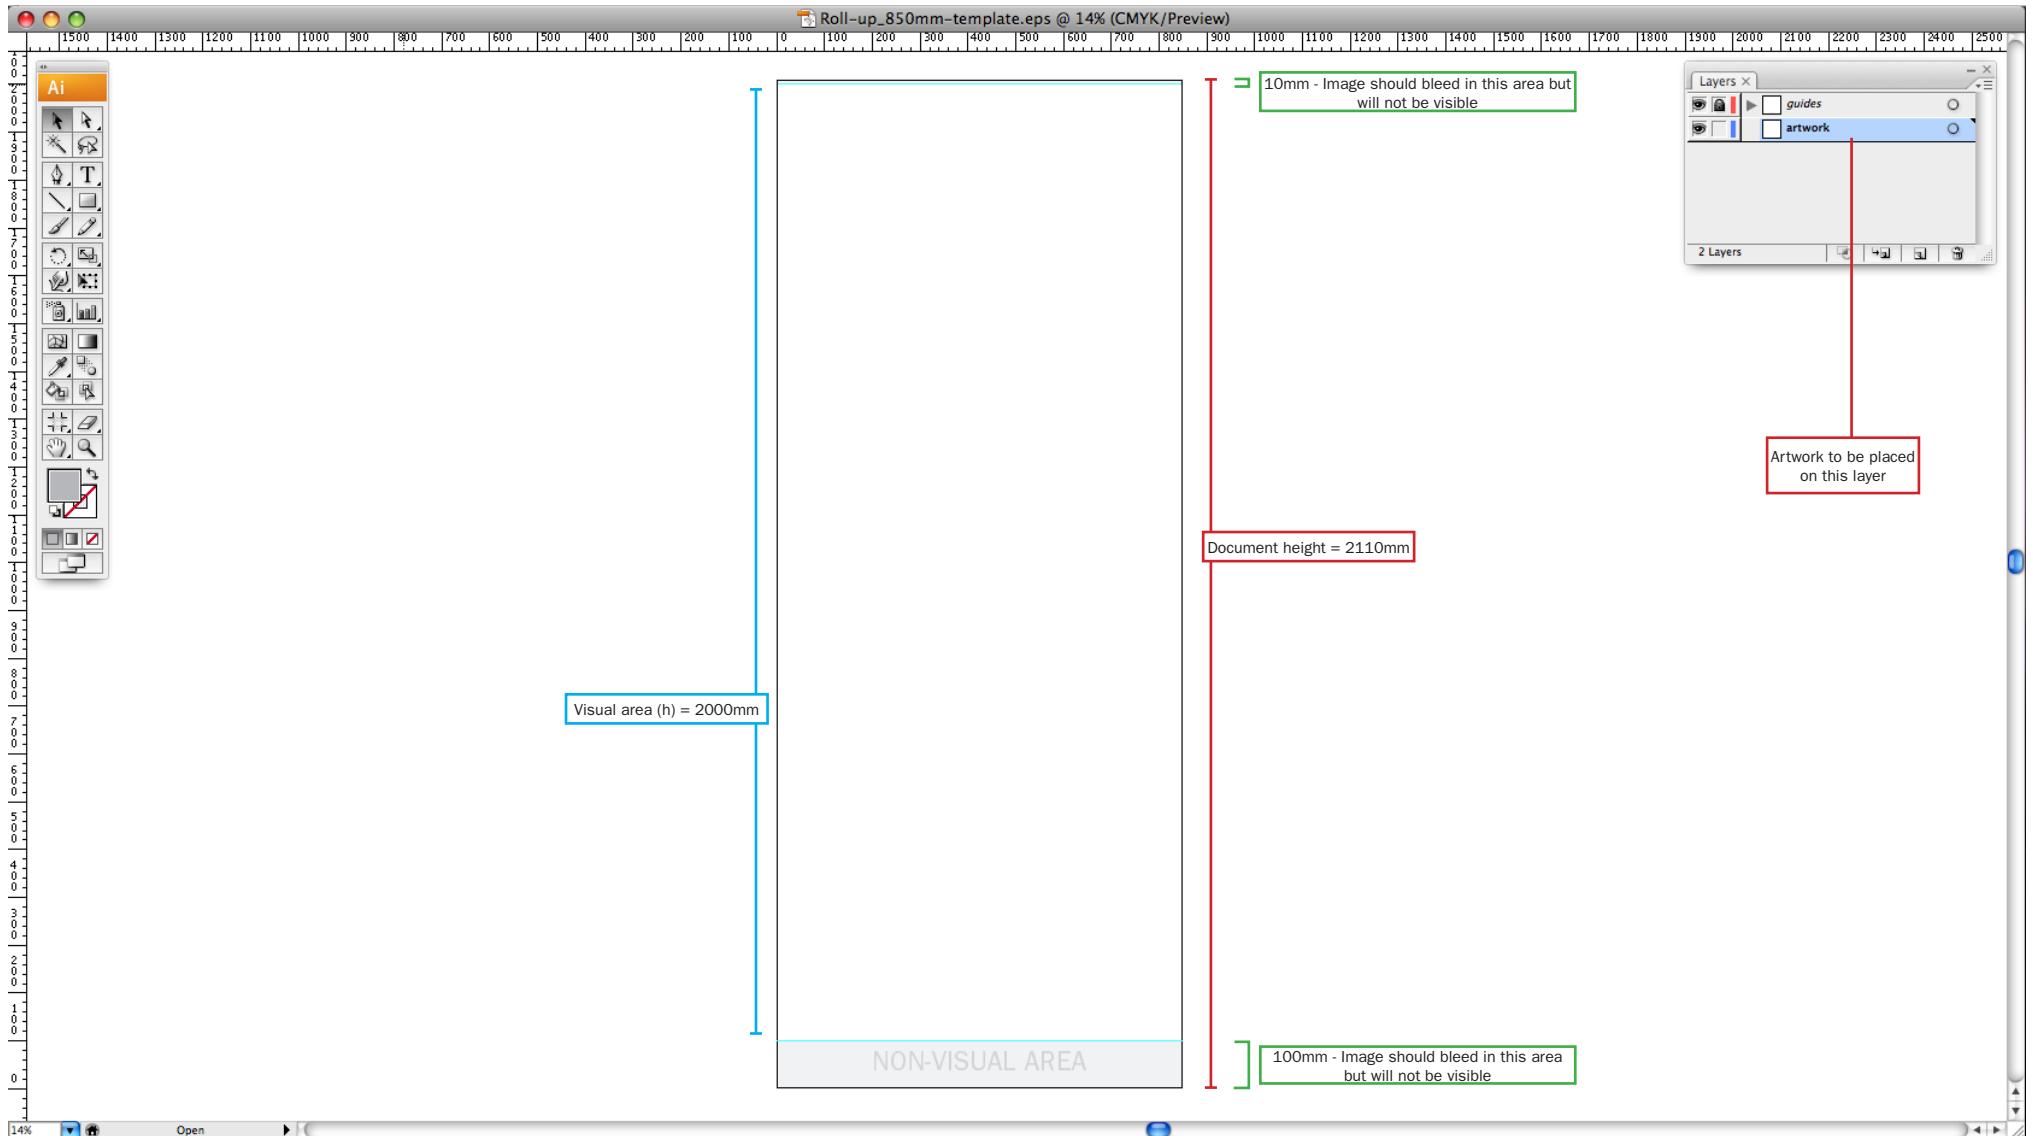

The height of the visible area of a roll-up banner is 2000mm - please design your artwork in this space and allow for bleed to be at 10mm of the top of the banner and 100mm at the bottom of the banner. This bleed will be printed as part of the banner but will not be seen once the banner is assembled in the stand unit.

Where possible, please provide artwork as working files, with links and fonts included (or fonts outlined).
